# Priyanka Singh

Automation Engineer at Dairy Goat Co-operative (N.Z) Ltd  
Waikato, New Zealand

## Summary

I have a varied experience in Automation Industry. I have worked on various PLC and SCADA systems adding a badge of successful completion of project one after other in my last 8 years of career. Am a restless, hardworking and dedicated Engineer. A complete work addict. I have hands on experience on Allen Bradley(RS logix,FTview,PanelView), Emerson(DeltaV, DeltaV SIS), Schineder (Unity),Honeywell(DCS and Safety PLC), Wonderware Intouch. I have worked in Oil and Gas Industry as well as dairy. I have complete knowledge on end to end project life cycle and estimating the right targets for completion. I always welcome new opportunity which can boost my confidence and drive my career path.
